Requesting usage of Reciprocal Clubs

Reservations and a letter of introduction are required by most Clubs, and are provided at your request by The Palmetto Club. Charges at most reciprocal clubs, including food and beverage charges and golf and tennis fees, usually require payment upon departure. To use one of these clubs when you are traveling, please call The Palmetto Club to have one of our staff make the arrangements. Alternatively, you can call the reciprocal club and make the reservation yourself; that club will ask you to request The Palmetto Club to send a communication introducing you, which the club will be delighted to do. For specific Club procedures, please call the reciprocal club directly.

To request a letter of introduction, call us at (803) 771-8767 during business hours or email us memberrelations@palmettoclub.org.
